

Wesco International Publishes Latest Sustainability Report

June 11, 2026 1:32 PM EDT

PITTSBURGH, June 11, 2026 /PRNewswire/ -- [Wesco International](#) (NYSE:WCC), a leading provider of business-to-business distribution, logistics services and supply chain solutions, has published its [annual sustainability report](#) today.

Wesco's 2026 Sustainability Report outlines progress toward long-term goals, demonstrates how sustainability shapes business decisions, and provides transparent information on governance, risk management, and data assurance in line with global reporting frameworks and standards. Wesco continues to focus on responsible operations, ethical business practices and solutions that help customers build, connect, power and protect the world.

"At Wesco, sustainability is embedded in the way we operate, how we support our customers and how we create long-term value," said John Engel, Chairman, President and CEO. "Our recent addition to the Dow Jones Best-in-Class Index and our 2026 Sustainability Report underscores our commitment to operate responsibly and to deliver solutions that help our customers build a more resilient and sustainable future."
